Re: *United States v. Calvin Darden, Jr.*  
14 Mj 283 (AJP)

Judge Cott,

Please be advised that I represent Calvin Darden in the above-referenced matter. Mr. Darden appeared for a detention hearing before Judge Peck on February 13, 2014 and the following bail conditions related to Mr. Darden were set: one million personal recognizance bond; five financially responsible persons ("FRP"); secured by \$300,000.00 cash/property; travel limited to SDNY/EDNY; surrender of travel documents (and no new applications); strict pre-trial supervision; home incarceration; electronic monitoring; no release except for Court or with advance notice to meet with counsel; no computer line; defendant to pay cost of electronic monitoring; defendant to be released upon satisfaction of home incarceration and five financially responsible persons; and that the remaining conditions to be met by February 27, 2014.

With the Government's consent, we are respectfully requesting that the bail be modified so that the \$300,000.00 cash/property portion can be satisfied through the posting of a bond by New York State Bail Bondman Ira Judelson.

Sincerely,

  
Xavier R. Donaldson

With no objection from  
the Government,  
the request for bail modification  
is GRANTED.
